

*A heart filled with love keeps you young,
But inside me a horde of hearts bursting with love.*

*It is Springtime revives life on Earth,
But I have a spring all time making you a blooming bud*

I am Pomegranate, the juicy, lusty, nutrient filled, antioxidant rich fruit.
A fruit often offered to "Durga Devi" (Mother Goddess Durga)

BHAGWA ANAR

Juicy Pomegranate from India

Pomegranate is a fruit of love and life. Inside the thick sturdy skin, it hides hundreds of sparkling red ruby like arils covered with juice of life. It is said that the cherished fruit keeps you young, the fruit represent prosperity through generations. Indeed, it is a crowned "Queen of fruits"!!

This winey flavored juicy seed fruit is grown in tropical and subtropical regions of the world. India being one of the largest producers of pomegranate in the world, provides finest edible quality of pomegranates. Pomegranate is cultivated in India since the time immemorial. This fruit is available almost throughout the year in different parts of India. The optimum weather conditions of State of Maharashtra provide unique flavor and taste for the fruit.

Juice of this fruit is rich in Iron, Phosphorus, Calcium, Magnesium etc. that helps in generating blood in the body. They are rich in vitamin C and potassium, a great source of fiber, and low in calories. It is a good source of antioxidants. The sugar contents of Pomegranate juice is about 12 to 16%. This sugar is light for digestion.

Dhi Loka delivers best quality pomegranate with care and passion. We choose our fruits from monitored farms and handpick the best among best for our customers. The natural beauty of this exotic fruit is maintained throughout the process and the variety we source is having ruby red arils and reddish saffron colour skin. We source our fruits from Solapur. Solapur's pomegranates contain more anti-oxidants than any other gardens and AGI tag is obtained for Solapur Pomegranate. Dhi Loka's values and tradition guides us to bring the best available variety to our venerated customers. Hence, we provide pomegranate from Solapur in India.
